Specialists in PERSONAL INJURY

BRIGHT & SONS

S o l i c i t o r s

A local firm with bright ideas

BRIGHT & SONS – Providing the answers on all aspects of Personal Injury

At Brights we are dedicated to providing specialist personal injury advice.

Unlike some firms our personal injury solicitors do not undertake any other legal work. Our strength is in claimant personal injury work, assisting the victims of accidents

to obtain the compensation they need to rebuild their lives.

Our skills are recognised by the Law Society which has awarded us membership of its specialist Personal Injury Lawyers.

We also have a growing practice in the field of uninsured defendant work and have enjoyed some notable successes in this area.

All clients have their cases handled by qualified and experienced solicitors throughout.

We do not use unqualified clerks or paralegals.

All claimant work is undertaken on a no win no fee basis and we ensure that every client receives 100% of the compensation awarded to them.

It costs you nothing to ask our advice and it will cost you nothing to obtain proper compensation for your injuries.
